HOUSE COFFEE

Supplied by Outpost Coffee Roasters
Timber Town Seasonal Espresso
Cauca, Colombia x Cerrado, Brazil
Sweet toffee, chocolate and cashew flavours,
balanced with a zingy citrus acidity.
Amazing served black or white.

DECAF

Swiss Water Process - Instead of using
chemicals to decaffeinate the coffee, the Swiss
Water osmosis process is used to create
caffeine free , but still delicious coffee.

GUEST COFFEE

Our current guest coffee is
Nyabirongo, Uganda
Supplied by Rounton Coffee Roasters
Taste notes are Black Tea, Apricot, Creamy
Nyabirongo is high up in the foothills of the
Rwenzoris. Like coffee we've had from the
region in the past, expect notes of dried apricot,
black tea and a slight funkiness. The Uganda –
Nyabirongo is another great example of a
complex, well-processed natural coffee. 60p
from each kilo sold goes directly to the
ACE2030 project in Uganda's
Rwenzori mountains.

We serve our milk-based coffee between
55-65°. If you would prefer your drink extra
hot, please let us know.
